[WE are in DC for a Revolution, not a peaceful protest. A lot of people here need to understand that already. The time for peaceful debate is long past. The Dems are openly talking about putting Trump supporters in "re-education camps" and setting up a "Truth and Reconciliation Commission."](#)  NSFCUCKS

**WHAT DID WE LEARN THIS SUMMER!?**

... that being 🔥 "**FIERY BUT MOSTLY PEACEFUL**" 🔥 gets you everything you want!

Your kindergarten teacher's wrong. Yes, "peace" really, really, really does work!

Start organizing militias. Build circles of trust. I no longer recognize Congress as the legitimate government of the United States, along with everything that implies.

Lol if you don't have that by now you're fucked. Biden is going to absolutely crush any opposition and the media and the left will cheer him on like the good authoritarians they are.

Yes. Didn't need to set fires or anything, just passively sit there until the establishment is forced to come show their tyranny to the world.

Antifa wanted in for the photo op. media is going to run all trump supporter are evil and need jailed, etc. Leader of the gang busting in was frm antifa protests int he past as was his buddy.

So fire af iuntil they're inside then chill out and photo op witht he cops so they ahve good one s for the papers.

Rest of the patriots were following Big Horns on the way in And many were inside purely beccause the people behidn them shoved forward intheir excitement liek lemmings on a cliff.

Then it fizzled because nobody knew what to do with congress gone and BIg Horn group and CO weren't about to give any mroe leadership.

Enterprising patriots ran through emails and shit.

That's when I was like..."oh....the protest will be over tonight then". We just rustled some jimmies today but...yeah. The fortitude to take it all the way? It's just not part of our zeitgeist.

Unless there is a secret revolutionary organization hidden within the MAGA crowd, I don't think a real revolution is a realistic scenario.

Like what, someone from the crowd shouts what to do next to utilize the momentum, to seize power and keep it - and the rest just blindly does that?

Exactly, these disgusting fucks only listen to you when you're violent. BLM and Antifaschistische Aktion taught us all that.

Dem terrorists will try to confiscate guns first. Just watch. Just remember American Founding Fathers didn't build this great nation for it to be taken over by the globalists and their puppets the traitors. Defend our homeland USA at all cost. The fight might last for years or decades, but victory only belongs to those who commit and persevere. Always remember that patriots outnumber traitors, and leverage our advantage accordingly. Understand that there will be sacrifices to be made, with materials and lives. Be mentally and physically prepared for the challenges ahead. Just know a frog complacently sitting on a slowly heated pan or thrown into a bon fire end up the same way.
